

VEKTA.5 SERVO SERVICE FORM

We offer 1 year limited warranty service to our servos regardless of use time. Customers must include a copy of the purchase receipt along with the servo sent to us. We cannot process your servo replacement/repair without a copy of your purchase receipt. At Kraken RC's discretion, we will either replace with a brand new servo or service your existing ones. We can only offer this warranty to the original purchaser of the vehicle. Kraken RC does not warranty second hand servos from VEKTA.5s that have been resold or traded. Sending in your servo(s) does not guarantee replacement and warranty may be VOID if SPEKTRUM Radios are used as stated on our website. Please read the statement on our website before sending in your servos.

Complete this entire form and enclose it with your damaged servo along with a copy of your purchase receipt. We recommend using a shipping method that includes tracking and retain a copy of this form for your records. For international customers, please contact your local dealer for support. Customers are responsible for shipping charges and KRAKEN RC cannot be held liable for servos that are lost in the mail.
